Day by Day Itinerary

Day 1

Arrive in Punta Arenas, Chile

Your adventure begins in Punta Arenas, Chile, the most populated city in southern Patagonia. If you arrive early, there are many museums, restaurants and shops to enjoy. By early afternoon, a Quark Expeditions representative will meet you at the official starting point hotel, where you'll enjoy a welcome dinner and be briefed about preparations for your embarkation day.

Day 2

Fly to King George Island and Embark

Your charter flight from Punta Arenas to Antarctica will enable you to cross the legendary Drake Passage in only two hours. Down below, your ship will be awaiting your arrival at King George Island. Your first glimpse of dramatic Antarctic landscapes will be from a unique perspective, as your plane descends onto the South Shetland Islands. After landing, make your way to the shore, before being transferred by Zodiac to your ship to set sail for the Antarctic Peninsula.

Days 3–6

Antarctic Peninsula and South Shetland Islands

The most common reaction upon reaching the 7th Continent is a sense of reverence and awe. The experience is beyond words, since few places are as untouched as Antarctica. You will begin to appreciate why this region has long captivated the attention of explorers and travelers alike. Every time we visit Antarctica, we witness something new or unexpected, which means that your expedition will be unlike any other—creating a unique, personal experience.

Each day, we will take Zodiac excursions from the ship to explore glaciated bays, channels and landing sites. Your Expedition Team will take care of you at each landing, whether you are hiking the Antarctic landscape, visiting a research station or observing chinstrap, Adélie and gentoo penguins, all of which can be found here. Keep an eye out for Weddell, fur, crabeater and leopard seals as well as curious whales, such as humpbacks, minkes, or perhaps orcas while on a Zodiac cruise. Each excursion will present a new array of creatures to fascinate you and keep your camera busy.

Amid the serene silence of Antarctica, noisy interludes become indelible memories, such as penguins squabbling over prized pebbles, or the boom and crack of a calving glacier.

Every day will be different, having been carefully crafted by your Expedition Team to inspire and educate you about this wonderful part of the world.

Days 7 and 8

Crossing the Drake Passage

A rite of passage for any Antarctic adventurer, crossing the Drake signals the end of your journey. No matter the sea conditions, you will benefit from having developed your sea legs over the course of the previous four days. While the journey home has begun, wildlife spotting continues. Your Expedition Team will be available on deck and on the ship's bridge to help you spot the majestic wandering albatross and a number of whale species, such as minke and humpback.

When you're not looking at photos and reminiscing about the previous days' adventures, the Expedition Team will conclude their series of engaging presentations on subjects such as marine biology, polar history and glaciology.

Day 9

Disembark Ushuaia, Argentina

You will arrive in Ushuaia in the morning and disembark after breakfast. You will then make your way towards your group charter flight to Buenos Aires.

Arrival and Departure Details

* Arrive anytime on Day 1 or earlier. Day 1 includes an optional briefing.

** Consider booking your international flight home after the Final Day as charter flight times may vary.

International flights are not included in the cost of the voyage.

Day 1 Arriving in Punta Arenas and Hotel Night

- Make your own way from the airport to the hotel if you arrive in Punta Arenas before Day 1
- Weigh and tag your luggage in the presentation room
- Mandatory briefing at 6 p.m. followed by welcome dinner

We ask all guests to be at the hotel in Punta Arenas by 3 p.m. latest. If you are arriving in Punta Arenas on Day 1, we recommend booking a flight or bus that arrives by 1 p.m. to give yourself plenty of time. For those arriving by air on Day 1, you will be greeted at the airport and transferred to the group hotel, which is included in your Charter Flight and Hotel Package.

For guests arriving before Day 1 of the itinerary, taxis are available at the airport. On arrival at your hotel, either check in, and make your way to the Quark Expeditions meeting room, or if you have arrived before check-in begins at 3 p.m., you can head directly to the meeting room, which is open from 12 p.m. Here you will collect your boots and parka, which you will need for the following day's flight. You will also need to bring the luggage you are planning to travel with to the meeting room, to have it weighed and checked for biosecurity clearance, which may involve vacuuming out any debris from outer clothing and backpacks, part of our commitment to protecting the sensitive Antarctic environment. After these procedures, the mandatory briefing will start at 6 p.m. in the meeting room. A welcome dinner hosted by a Quark Expeditions representative will follow the briefing.

Day 2 Flight to King George Island and Embarkation

Your flight to Antarctica is expected to depart from Punta Arenas for King George Island on Day 2 of your itinerary, after breakfast. Although the flight is scheduled to depart first thing in the morning, there is significant variability based on weather conditions. You should be prepared to depart the hotel for the airport on our group transfer at any time.

Final Day

- Ship arrives back in Ushuaia between 7 a.m. and 8 a.m.
- Disembark after breakfast
- If flying home from EZE, we recommend booking flights departing after 9 p.m.
- If flying from Aeroparque/Jorge Newbery Airport (AEP), we recommend booking flights departing after 10 p.m.

Disembarkation in Ushuaia

The ship is scheduled to arrive back at the pier in Ushuaia between 7 a.m. and 8 a.m. After breakfast you will bid farewell to your Expedition Team before completing your disembarkation. This process takes approximately one hour.

Departing from Buenos Aires

Upon arrival in Buenos Aires, you may be able to connect directly with your homeward flight. Our charter flight lands at Buenos Aires's international airport (Ministro Pistarini International; IATA airport code EZE). The included flight lands at approximately 5 p.m. We recommend you only select flights departing after 9 p.m. If your plans take you onward in South America, please check itineraries carefully before booking. Some South America-bound flights originate at Jorge Newbery (IATA airport code: AEP). Due to unpredictable traffic in Buenos Aires, we recommend you only select flights departing AEP after 10 p.m.
